

## **RESOLUTION NO. 17-18/008**

### **Resolution of the Board of Education of Centinela Valley Union High School District Evidencing Support for a Proposed Legislative Action Changing the Language of Education Code Section 35582**

WHEREAS, Centinela Valley Union High School District (the “District”), a public school district organized and existing under the laws of the State of California (the “State”), has previously collaborated with Wiseburn School District, a public school district organized and existing under the laws of the State which has since unified and is operating as Wiseburn Unified School District (“Wiseburn”), on certain matters; and

WHEREAS, the District and Wiseburn are committed to continue to work on a collaborative basis on legislation affecting their respective school districts;

WHEREAS, in 2012, the Board of Education of the District (the “Board”) and the governing board of Wiseburn approved the formation of a joint exercise of powers authority under Section 6500 *et seq.* of the Government Code of the State; and

WHEREAS, the District and Wiseburn subsequently created the Local Public Schools Funding Authority (the “Authority”) to issue, among things, general obligation bonds to benefit one or both of the member school districts (collectively, “Bonds”); and

WHEREAS, in 2012, the District and Wiseburn worked together to support legislation (Senate Bill 477) affecting the organization of Wiseburn, the impact of that organization on the District and the apportionment of the respective debt limitations upon the two school districts, resulting, among other things, in the creation of Section 35582 of the Education Code of the State (“Section 35582”); and

WHEREAS, it now appears to the District and to Wiseburn that the current language of Section 35582 does not accurately reflect the original intent of the stakeholders, in that the issuance of Bonds by the Authority may create a disparate impact on the debt limitation applicable to Wiseburn; and

WHEREAS, Wiseburn has caused certain language to be drafted as an amendment to Section 35582, substantially in the form appended hereto as Exhibit A (the “Proposed Amendment”), and requests that the Board support the Proposed Amendment by adopting this Resolution; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Centinela Valley Union High School District as follows:

Section 1. The foregoing recitals are true and correct.

Section 2. Following review by members of the Board and staff, the Board has determined that the Proposed Amendment appears to remedy the perceived disparate impact of the current language of Section 35582 on the District and Wiseburn.

Section 3. The Board supports the request of Wiseburn to solicit State Assemblywoman Autumn Burke to draft and sponsor legislation substantially in the form of the Proposed Amendment in order to correct the language of Section 35582.

Section 4. The Superintendent of the District is hereby directed to provide an executed copy of this Resolution to Wiseburn in order to evidence the foregoing support of the Board and to take any further action he deems necessary or advisable in order to further the purposes of this Resolution.

Section 5. This Resolution will take effect immediately upon its adoption.

PASSED AND ADOPTED by the Board of Education of Centinela Valley Union High School District at a regular meeting thereof, duly noticed in accordance with law and at which a quorum of its members were present and acting throughout, held at a location freely accessible to the public in Lawndale, California, on the 10<sup>th</sup> day of October, 2017, by the following roll-call vote:
