ATTN:	John Stocks		

DESCRIPTION:

This is the cost to furnish and install the changes listed in CCD 23. The tentative lead time on hardware is approximately 10-12 weeks. All material will be ordered as listed (part number, quantity, and finish) in this change order. No material will be ordered until written acceptance of this change order is received. At the time of issue all hardware for this project was procured. We are unable to provide a credit for hardware removed from our scope of work.
